Rule making related to persons with disabilities parking permits

The Transportation Department hereby amends Chapter 411, “Persons with Disabilities Parking Permits,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 307.12, 321L.2 and 321L.8.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 321L.2 as amended by 2022 Iowa Acts, House File 2259, section 2.

Purpose and Summary

The amendments to Chapter 411 conform the rules with 2022 Iowa Acts, House File 2259, which adds licensed occupational therapists and physical therapists to the list of medical professionals authorized under the Iowa Code to provide a statement of disability for a person applying for a persons with disabilities parking permit. This legislation also allows certain licensed medical professionals in any state to prepare the statement of disability. As required by current law, the statement of disability must be on the medical professional’s stationery.

Prior to this legislation, occupational therapists and physical therapists were not authorized under the law to provide statements of disability for persons with disabilities; only certain medical professionals licensed in Iowa or a state contiguous to Iowa were allowed to provide the statement of disability. This rule making will make it easier for customers to obtain a persons with disabilities parking permit, especially if the person’s primary health care provider or specialist is licensed in a state that is several states away from Iowa or if the person is already working with a licensed physical therapist or occupational therapist as part of the person’s recovery.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa beyond any impact anticipated by the legislation.

Jobs Impact

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 761—Chapter 11.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making will become effective on December 7, 2022.

The following rule-making actions are adopted:
